

3/9/2017 Minutes:

Meeting Cancelled because PDC had an event during the same time for our One Book-One Campus Event. This cancellation was put on our calendar in advance and discussed with committee members in previous meetings.

The event was the showing of the film, "Hunting Ground," followed by panelists. We began set up at 11:30 and left by 4, which actually exceeded our meeting times. Thanks to PDC members, especially Loralyn Frederick and Lisa Valdez, for their support of this successful event.
