### **Corrections to the Minutes of 2/23/2015**

During approval of the minutes, Senator Anna Bruzzese, requested that today's minutes reflect the written statement from Mia Wood that was read (see below) as public commentary at the Academic Senate meeting of 2/23/15.

*February 23, 2015*

*On Thursday, February 19, an email with attachment was sent from the Academic Senate President to senators, DAS, and department chairs. The attachment is a memorandum that refers to, "the Senate's right to endorse our faculty hiring committees" having been "unilaterally taken away...without any consultation or explanation." The memo goes on to strongly insinuate that the VP of Academic Affairs was trying to have "secret" committees. The memo perniciously disregards the commitment faculty have to collegial relations with the administration. It is irresponsible to claim that our VP of academic affairs wants hiring committees to be secret; I am confident it cannot be substantiated. It is this message that has prompted my public comment. I believe I have to reiterate what I said in my resignation letter from December 2013, namely that there is little to no interest in careful and thoughtful discourse in Senate matters. Instead of conduct befitting college leaders, there is scattershot thinking, personal squabbling, and arbitrary rule following. In short, the Exec members who remain from August 2013 are the Exec members who have presided over, and should take responsibility for, an astonishingly dysfunctional body. Among the failures of this period is the Senate Exec reneging on its promise to hold special elections in the fall of 2013 — as if it were impossible to do so. I do not understand why the senators did not demand their vote be respected. This is the same Exec that presided over the catastrophic attempt to revise the bylaws — yet another significant failure. I want to believe that everyone here thinks they're doing the right thing. But that doesn't mean they are. We faculty look like fools at best, and colluders with inept leadership at worst. Senators and fellow faculty, we need to take our Academic Senate back.*

Further corrections to the minutes: (Pillado)

Tally sheets and attendance roster were not included with the minutes.

For items 10.d-14 (except 12.f), the word "information" should be changed to "none."
