Any item can be pulled from the consent agenda and discussed, if so desired.  MSP unanimously (Moe)  <b>a. Appoint Darlene Thompson (Welding) as an apprentice member on the Curriculum Committee in Area 4;</b> there are three vacancies and one candidate
5	<b>Approval of the Minutes</b> from November 19, 2018 MSP unanimously (Pillado)
6	<b>College Administration Report</b> – Larry Buckley <ul style="list-style-type: none"> <li>• In response to the FPPC recommendations and faculty hiring: From President’s meeting with the Chancellor, the faculty obligation number (FON) for Pierce College is 12; initially, the goal for Buckley was to reduce the number slightly. There are 57 FON districtwide for the new year. A recommendation was made that the district pay 100% of all the costs for 3-5 years or until a college is determined financially viable. The proposal by the district is for the district to pay 75% of the average cost of a position, which is approximately \$111,000 per position, plus ½ of the remaining 25% (87.5% of \$111,000 of a permanent position). This is a permanent cost from district, not the college. As a result, Buckley agreed to the 12 positions.</li> <li>• Reviewed the positions with VP Berger, VP Dixon-Peters, and VP Schleicher: 2-3 of the positions are paid by categorical funding, so unsure if these positions are part of the 12 allotted. Will have a conversation with the Deputy Chancellor and Vice-Chancellor and will forward the final document to President Bruzzese and Ann Hennessey.</li> </ul>

	<ul style="list-style-type: none"> <li>• Attended the ACCC Conference for Guided Pathways – Main take away – A Chicago CC increased success rate from 8% to 24% through Guided Pathways.</li> </ul>
7	<p><b>Associated Student Organization (ASO) Report</b>–Isha Pasricha</p> <ul style="list-style-type: none"> <li>• ASO Students attended a Leadership retreat – Students participated in a rope course, learned about the Brown Act and Roberts Rules of order, along with values training activities and how to navigate meetings.</li> <li>• ASO sponsored a Goat Yoga event on the mall for de-stressing.</li> <li>• There will be a banquet for all of the club leaders and advisors on Thursday, 12/8.</li> <li>• Other end-of-year activities planned to de-stress: Puppies on campus to pet and Coloring at Rocky Young Park</li> <li>• A student survey will be given during these events.</li> </ul>
8	<p><b>Action Items; (see appendix A)</b></p> <p><b>a. One-Time Delegation of Authority to approve Curriculum Committee actions related to new courses and programs for Fall 2018</b></p> <p>The Curriculum Committee is meeting this Friday, Dec. 7<sup>th</sup>. Last fall, the Senate delegated its authority to bring new programs to the Senate floor. The Senate doesn't meet until 2/11, therefore, actions may not make it to the March 4<sup>th</sup> agenda without one-time delegation.</p> <p><b>Background:</b> The Senate has already delegated to the Curriculum Committee authority to approve course and program changes (2017-09-25_NMP F17-01_CC_Authority to Approve; see attached).</p> <p><b>Rationale:</b> A YES vote means that this <b>one-time</b> Senate action ensures the timely completion of fall curriculum initiatives affecting new courses and programs. New courses and programs approved this semester will be ready for Board approval in January 2019. This will allow these new curriculum to be added to the 2019 Catalog addendum. A NO vote means that the new courses and programs will be ready for Board approval in March.</p> <p>MSP (Pillado/Belden) (34-0-1) Abstained: Levick</p>
9	<p><b>Unfinished Business; (see appendix A)</b></p> <p><b>a. 2018-11-19_NMP F18-06_COC__SLO Error Form (see attached)</b></p> <p>MSP unanimously (Moses/Belden)</p> <p><b>b. 2018-11-19_NMP F18-07_CC_ Revision of the Advanced Course Request Form (see attached)</b></p> <p>MSP unanimously (Pillado/Belden)</p>

	<p><b>c. 2018-11-19_NMP F18-08_APC_Time Block Recommendation (see attached)</b></p> <p>Belden moved to approve NMP from APC for time block recommendations. Gend seconded.</p> <p>Gend reminded the Senate that this proposal is recommending that the college continue using the current time blocks.</p> <p>The recommendation is a culmination of analyses by a time block work group, discussions in Senate and APC, working with Sheri Berger, and with 2 surveys on different schedule proposals. The surveys revealed that the preference was to keep the time blocks as they are currently. This process began last year, but there wasn't agreement reached at Senate about any recommendation reached at that point.</p> <p>Moses spoke against the motion. Would prefer a more robust conversation of what an ideal schedule would look like.</p> <p>Bass spoke in favor of having a college hour.</p> <p>Pillado spoke in favor of the motion. It gives a framework of where we can start looking at scheduling, reviewing the data, and address gaps for enrollment. The schedule can be improved in the future.</p> <p>Motion did not pass. (Belden/Gend) (14-15-6). Abstained: Binsley, Hennessey, Maduena, Phillips, Ramirez-Wee, Schneider</p>
10	<p><b><i>New Business;</i></b> None;</p>
11	<p><b><i>Academic Senate President Report</i></b> – Anna Bruzzese</p> <p>a. <u>Senate templates</u> The Senate Exec has completed the task of reviewing Senate templates and updating them, if needed. This was one of our goals for the 2018-2019 academic year. The templates are posted on the Senate website, under "Documents" and then "Senate Forms." They are meant to be of help to new committee chairs, in particular, as the templates include the agenda template, the minutes template, the committee charter template. There is also a committee service statement of interest template.</p> <p>b. <u>Senate Exec/Senior Staff joint consultation on 11/26/18</u> Senate Exec met with Senior Staff on 11/26 and we updated the administration about Senate actions from our recent meetings. President Buckley expressed his agreement with the Senate recommendation regarding the additional .4 reassigned time for Guided Pathways/Program Mapper going to Cristina Rodriguez (.2) and Adrian Youhanna (.2) in Spring 2019. He is still waiting for additional information from the District before making a decision regarding hiring. Regarding technology, the news was pretty bleak. VP Schleicher stated that the deadline for Wi-Fi access</p>

points has been extended till 12/31/18 and that retrofitting of the technology in the NOM is now estimated to take another 2.5 years. In addition, the current, inefficient processes, for booking rooms and for purchasing, are being examined and hopefully will be improved soon. The senior administration is also aware of the ongoing woeful understaffing of the Office of Institutional Effectiveness but one staff member will be returning from leave in January. We also discussed scheduling strategies for 2019-2020. VP Berger stated that we decreased our efficiency and will be looking at allocation reshuffling as one way to address this.

c. Senate Exec/AFT E-Board joint consultation on 11/26/18

Senate Exec also met with the AFT E-Board on 11/26. We discussed our ongoing collaboration on faculty events and agreed that it will continue, in order to benefit our faculty and campus community. We had a discussion about the technology concerns and the need to stay on top of this issue, especially with the IT grievance expiring at the end of December but significant unresolved issues still remaining. The union is following up on this. We talked about scheduling concerns and the need for a comprehensive solution, beyond cutting classes or allocation reshuffling. The difficulties students face when trying to register, see a counselor, navigate our College website, the outdated technology in classroom, crumbling infrastructure in parts of the College, marketing and advertising all contribute to the enrollment problems and need to be tackled as part of a holistic solution. We also talked about contract concerns and AFT Chapter President Walsh reminded us that under the current contract, the DE certification is portable, so if an instructor is DE-certified at any college in the District, they are able to use this certification to teach online at Pierce.

d. Committee reports to the Senate

Below is a table showing which committees have been regularly reporting to the Senate as of today. Many thanks to the committee chairs and representatives for your regular reporting and for sending written version of the reports to the Senate Secretary Armenta, so she can include them in the minutes. Let's all keep up the great work!

Faculty Position Priority (FPPC) – Ann Hennessey  
No actions. Discussion on revising the charter.  
Meeting dates for spring: Fridays, 10:00 – 12:00, March 8 and May 10

Professional Ethics (PEC) – Cara Gillis  
Door-Closing During Office Hours:

- Closing the door leaves faculty vulnerable to potential allegations and, if the faculty initiates the door-closing it could intimidate the student.
- However, keeping the door open could allow private information to be overheard by either other faculty or other students and could press upon FERPA concerns.
- What to do?
  - o I spoke with Eric Kim at District Legal. He suggested two things:
    - 1) The general rule should be to always keep your door open.
      - Do your best to make sure that no one can overhear when you discuss things of a sensitive nature.
    - 2) The campus should develop a specific recommendation for faculty to follow.

Poisoning of Animals on Campus

- An English faculty notified the committee that the campus no longer had small ground animals, such as rabbits and squirrels. He explained that this was probably due to the poison stations that had been set up all over campus, including near and under the windows of faculty offices. He asked why it was necessary to poison these animals and the entire campus ecosystem and, if necessary, why do it inhumanely. (The poison, Bromadiolone, causes these animals to suffer for days before killing them.)
- Luckily, the committee has biologists, horticulturists, ethicists, etc on it and a robust discussion ensued. Concerned faculty have also contacted the administration and have opened a dialogue with them. While this issue is perhaps outside the direct concerns on the PEC it does raise significant ethical questions in general about balancing anthropocentric and ecocentric concerns.
- The central tensions are:
  - o Faculty have previously complained about rats.
  - o Plant services decided that bromadiolone (a vitamin K antagonist) was the “best” (i.e. perhaps cost-effective?) rodenticide.
  - o Bromadiolone can take 48-72 hours to kill the animal, leaving it susceptible to being prey for other animals (raptors, owl, coyotes, domestic cats, and other predators.) This could then have harmful effects on the ecosystem and biosphere.
- Again, the administration has now been made aware of a variety of

	<p>concerns and issues.</p> <p><u>Student Success (SSC)</u> – Eddie Tchertchian</p> <ul style="list-style-type: none"> <li>• Student Success Conference is set for 2/1 at 8:30 a.m. <ul style="list-style-type: none"> <li>• Theme will be “Sea of Change.”</li> <li>• Planning – next Monday from 1:00 -2:00 p.m. SSC room</li> </ul> </li> <li>• There will be an Umoja presentation at the next meeting on 12/12.</li> </ul>
16	<p><b>Guided Pathways Ad-Hoc Committee Report</b>– Angela Belden</p> <p>All discussions from today’s Senate meeting are related to Guided Pathways. We need everyone to be involved, from every department and at every level. This will require transformative cultural change. We should be asking ourselves, “is this the best thing for the students?” Sometimes the best things for students are sometimes uncomfortable for us as faculty. We need to do things with students in the forefront.</p>
17	<p><b>District Academic Senate (DAS) Report</b> – Aric Eidadu, Margarita Pillado or Sabrina Prieur; None; next meeting is on 12/14 at Los Angeles Mission College</p>
18	<p><b>Announcements and Open Forum</b></p> <p><i>Permits anyone to bring to the floor matters not currently on the agenda, though action may not be taken on any item. 2 minutes maximum per speaker.</i></p> <p>a. Lori Travis, on behalf of the Pierce Diversity Committee Multicultural Day on Thursday, April 18, 2019.</p> <p>Pierce College’s Multicultural Day is modeled after an event that has been held at Moorpark College for the past 27 years. On that day, there are multiple classes open to the entire college and outside community held on topics of inclusion and diversity of cultures, religions, physical abilities, and which also include cultural performances and informational booths by student groups. Classes are not cancelled, but some faculty allow their students to attend the different programs going on around campus.</p> <p>Rather than attempt to start such a large event in our first year, the Spring 2019 Multicultural Day will be a pilot program with three classes total held during traditional class time blocks between 9:35 am and 2:10 pm, as well as ASO groups hosting booths with cultural activities and food from 11 am to 1 pm. The first two time blocks will be classes organized by the faculty from the Sociology and History departments, and the last class starting at 12:35 will be in celebration of Asian Pacific American Heritage Month, with a Los Angeles-based Japanese-Taiwanese American comedian speaking and doing Q&amp;A. In 2020, we are hoping to expand to multiple events per time block and have many academic departments and student groups be involved with organizing classes and workshops.</p> <ul style="list-style-type: none"> <li>• Garineh Avakian on behalf of Performing Arts – Holiday concert 12/13, Check performing arts page.</li> <li>• Isha Pasricha – There will be a puppy day on Monday, 12/10, 9:00 am - 11:00 am and Thursday, 12/13, 12:00 pm -2:00 pm</li> <li>• Jeff Favre – check out the New Bull for the semester.</li> </ul>

	<ul style="list-style-type: none"> <li>• Brian Moe on behalf of Dance – There will be a one-night only dance performance on Wednesday, 12/19, at 7:30 p.m. The original performance dates were cancelled due to the wild fires.</li> <li>• Monika Ramirez-Wee on behalf of the Art Department – on Saturday, there will be a Winter Arts Festival in the Art Quad from 11:00 a.m. – 4:00 p.m. with a faculty and administration preview Friday, 12/7, from 4:00 p.m. – 7:00 p.m. There will be food, ceramics, jewelry, and art. Please attend!</li> </ul>
19	<b>Adjournment</b> President Bruzzese adjourned the meeting at 2:45 p.m.
