

**Pierce Academic Senate  
Notice Motion Proposal  
Spring 2016-02  
Viability Review of Educational Programs**

**BACKGROUND**

LACCD Board Rule 6803 requires each college to develop procedures for initiating and conducting a viability review of educational programs. In April 2005, the Pierce Academic Senate adopted a process for conducting viability review. The proposed revision updates and clarifies this process.

---

Whereas, viability review is required by LACCD Board Rule 6803;

Whereas, a task force of EPC was convened to review and revise the 2005 viability review of educational programs document incorporating information learned from prior viability review process;

Whereas, EPC unanimously approved the viability review of educational programs document on December 11, 2015;

Therefore, be it resolved that the Academic Senate approve the revised process for Viability Review of Educational Programs.

Noticed by the Pierce Academic Senate this 8<sup>th</sup> day of February, 2016.

Ratified by the Pierce Academic Senate this 22<sup>nd</sup> day of February, 2016.
